

WRECK-IT RALPH

[Vanellope glitches into the room]

[princesses gasping]

VANELLOPE

Uh, hi.

[knife coming out]

[pan hitting something]

[glass breaking]

VANELLOPE

Whoa! Whoa! Ladies, I can explain!  
See, um... I'm a princess, too.

ANNA

Wait. What?

VANELLOPE

Yeah! Princess Vanellope von Schweetz  
of the Sugar Rush von Schweetzes? I'm  
sure you've heard of us. It'd be  
embarrassing for you if you haven't.  
[laughs nervously]

POCAHONTAS

What kind of a princess are you?

VANELLOPE

What kind?

RAPUNZEL

Do you have magic hair?

VANELLOPE

No.

ELSA

Magic hands?

VANELLOPE

No.

CINDERELLA

Do animals talk to you?

VANELLOPE

No.

SNOW WHITE

Were you poisoned?

VANELLOPE

No!

TIANA AND AURORA  
Cursed?

VANELLOPE  
No!

RAPUNZEL AND BELLE  
Kidnapped or enslaved?

VANELLOPE  
No! Are you guys okay? Should I call  
the police?

ARIEL  
Then I have to assume you made a deal  
with an underwater sea witch, where  
she took your voice in exchange for a  
pair of human legs?

VANELLOPE  
No! Good Lord! Who would do that?!

SNOW WHITE  
Have you ever had true love's kiss?

VANELLOPE  
Eww! Barf!

JASMINE

Do you have daddy issues?

VANELLOPE

I don't even have a mom!

NUMEROUS PRINCESSES

Neither do we!

RAPUNZEL

And now for the million-dollar question: do people assume all your problems got solved because a big strong man showed up?

VANELLOPE

Yes! What is up with that?

ALL PRINCESSES

She is a Princess!

[Snow White sings]

CINDERELLA

Who made your gown? I've never seen anything quite like it.

VANELLOPE

Oh, this old thing?

CINDERELLA

Oh, I'd so love to have one of my own.

AURORA

As would I.

MOANA

Me, too!

ELSA

So cool!

RAPUNZEL

Best outfit ever!

ARIEL

I want one too, you guys!

CINDERELLA

I'll get my mice on this.
