

ROBOTS

FENDER

Relax, she's not my aunt. She just takes in bots who are broke. Bless her little heart.

RODNEY

Well, then why is she called Aunt Fanny?

FENDER

We couldn't call her Aunt Booty.

AUNT FANNY

Oh, scrap.

PIPER

She's a little artsy-fartsy. The artsy's okay, but when she gets fartsy...

AUNT FANNY

Look at... Oh, right on my shoes. I'm so clumsy. Well, hello there. What's your name?

RODNEY

I'm Rodney Bigbottom... No, I'm
Rodney Copperbottom. Copperbottom.

AUNT FANNY

That's a wonderful name, Bigbottom.
Well, I just... What happened to your
friend?

FENDER

He's been rear-ended.

AUNT FANNY

Oh, there you are.

FENDER

Aunt Fanny, he needs a place to stay.

AUNT FANNY

Well, just make yourself at home.

RODNEY

Thank you. That's very kind of you.

AUNT FANNY

My pleasure. See a need, fill a need.

RODNEY

Hey, just like Bigweld.

AUNT FANNY

Bigweld. That's a lot of robot.
