

SHREK

PRINCE CHARMING

You. You can't lie. So, tell me
puppet... Where is Shrek?

PINOCCHIO (NERVOUS)

Well, I don't know where he's not.

PRINCE CHARMING

You're telling me you don't know
where Shrek is?

PINOCCHIO

It wouldn't be inaccurate to assume
that I couldn't exactly not say that
is or isn't almost partially
incorrect.

PRINCE CHARMING

So you do know where he is.

PINOCCHIO

On the contrary, I'm possibily more or
less, not definitely rejecting the
idea, that in no way, with any amount
of uncertainty that...

PRINCE CHARMING

Stop it.

PINOCCHIO

I undeniably do or do not know where he shouldn't probably be.

[...]

If that indeed wasn't where he isn't. Even if he wasn't not where I knew he was could mean that I wouldn't completely not know where he wasn't.

[Gingerbread Man continues to sing his "Lollipop Song."]

PIG

Oh, enough. Shrek went off to bring back the next heir. Oh.

[Pinocchio laughs nervously.]
