

THE EMPEROR'S NEW GROOVE

YZMA

Pull the lever, Kronk.

[lever being pulled down]

WRONG LEVEEEEEEEERRRRR.....

[splash]

KRONK

Huh?

YZMA

Why do we even have that lever?

[crocodile being slapped and running away]

Get out of my way!

VOICE OVER

Please remain seated and keep your arms and legs in at all times.

YZMA

Whee!

KRONK

Faster, faster!

Yzma, put your hands in the air!

Whoo-hoo! Whoo-hoo!

[Yzma & Kronk clapping hands
together]

YZMA

Ah, how shall I do it? Oh, I know.

I'll turn him into a flea, a harmless
little flea, and then I'll put that
flea in a box, and then I'll put that
box inside of another box, and then
I'll mail that box to myself, and
when it arrives, ah ha ha ha! I'll
smash it with a hammer!

[hammer hitting the ground]

It's brilliant brilliant, brilliant,
I tell you! Genius, I say!

[explosion and electrical short
circuit]

Or, to save on postage, I'll just
poison him with this. Take it, Kronk.
Ooooh. Feeeel the power.

KRONK

Oh... I can feel it.

YZMA

Our moment of triumph approaches. Ha
ha ha ha ha ha! It's dinner time.
